Annotations:

- PERIOD:** This is the period you are being paid for in this pay run.
- RATE:** This is the Base Rate, as per the Cleaning Services Award.
- MULTIPLIER:** The Rate is multiplied by this figure to give you the additional penalty rate.
- GROSS TAXABLE:** this is your income before tax has been taken out.
- NET EARNINGS:** this is the amount that will be deposited in to your bank account.
- SUPERANNUATION:** is paid to your Superannuation Fund by the 24th of the following month. This is a payment made by Quayclean into your Fund as per legislation.

Example Calculation:
To work out the hourly rate for your payment, divide the earnings by the hours. For example if your earnings are \$ 876.26 for AFT shift (afternoon shift rate) and your hours are 27.5, the hourly rate for this shift is \$ 31.86.

What to look for on your payslip:

- Total Payments:** Total cost to Quayclean (not what is paid to employee)
- Super:** Paid to employee Superfund by business on behalf of employee as per legislation (not what is paid to employee)
- Total Payments - Super = Gross Taxable**
- Gross Taxable:** Your total earnings before Tax
- Net Earnings:** Your earnings after tax & what is paid to you
